A BOY HURT.

Lawrence Whitsett Struck by a Rig—Carrolltown.

This forenoon out on West Wood street Lawrence Whitsett, the 8-year-old son of Mrs. Daniel Whitsett, met with a serious injury, due wholly to the carelessness of two men who drove past the Whitsett place. Mrs. Whitsett is preparing to remove to Ann Arbor, Mich., and the boy had returned to the house from the freight house, where a load of household goods had been taken. Lawrence went to the depot with the driver, and on alighting from the rig in front of the house, the boy was knocked down by the passing vehicle. He was first struck by the horse, and then by the wheels of the rig, which grazed his head, producing an ugly cut, besides inflicting severe bruises. The bleeding boy was carried into the house, while the heartless men drove out of sight, apparently indifferent to the cries of the lad and his misery. Dr. W. J. Chenoweth was summoned to attend the boy. The surgeon sewed up the cut in the head and left him resting as comfortably as possible. The injury will not delay the departure of Mrs. Whitsett and her children.

#### WEIGAND-MOFFETT.

Joyous Wedding in the Country—Forty Guests.

Miss Carrie Moffett, daughter of Mr. and Mrs. John M. Moffett, and Mr. William Weigand, were united in marriage last evening at 3 o'clock at the home of the bride's parents in Blue Mound township. Rev. W. L. Barken was the officiating clergyman. There was about forty guests present to witness the ceremony, including relatives and friends from Platt county, Harrisonville, Blue Mound and other points. There was an excellent wedding feast, and the bride received a fine collection of useful presents. Mr. and Mrs. Weigand will be at home to friends near Blue Mound on September 26th.

#### Talking About Fugitives.

Jack McLaughlin is about \$22,000 ahead on his flight. The last bet he made was just before he started from his quarters for the club house, when he sent \$5,000 to a pool room. "Got even money if you can," he said to the friend who acted as his commissioner, "but if you can't do that take the best price obtainable." He was perfectly sure of winning. The friend got \$1,400 against the \$5,000.

Billy Myers, who is picking up spirits again, like all defeated men, wants another go at Jack. Another report has it that Billy will probably retire from the ring and will attend to his business in Chicago. Myers, Kennedy and the trainers left New Orleans for Chicago yesterday at noon.

#### A Reception.

The Christian Endeavor society of the Presbyterian church held a reception last night in the parlors of the church in honor of Miss Anna Cool, Miss Willie Robertson and Messrs. Linn Barnes and Jesse Whitsett, of which organization the young people are members. Mrs. Whitsett and family will leave to-night for Ann Arbor, where Jesse will attend the university. Linn Barnes will leave about September 20th for Harvard. Miss Cool will go to Ann Arbor, and Miss Robertson will leave in about two weeks for Oberlin, Ohio, where she will enter school.

#### Broke the Cycle Records.

At "one fall swoop" "Jersey Lightning" Zimmerman yesterday at Springfield, Mass., lowered the bicycle record for three, four, and five miles, his latest record by F. J. Osmond, the English crank. He started for the five mile record and covered three miles in 7:15 1/2, passed the four-mile point in 9:41, and the entire distance in 12:12 1/2. The feat is unsurpassed in the history of wheel speed, and renders Zimmerman's position among fast wheelmen practically unassailable.

#### A Party.

Miss Sarah Murphy entertained a number of friends last night at the home of Mr. Whitsett on West Wilson street in honor of Linn Barnes, who will soon leave for Harvard college. Refreshments were served. Those present were Messrs. Linn Barnes, Linn Barnes, Kate Quinlan, Lela Montgomery, Bonnie Bartholomew, Donna Buckingham, and Messrs. Lela Tuttle, Ed. Howe, Frank Hunsaker, Linn Barnes, Earl Bartholomew and Edgar Quinlan.

#### Quoted Them.

Officer Ed Leach was called to the jail about 2 o'clock this morning to quiet Hatfield and Hookingbury, two of the inmates. About this time the two men set up an unearthly yell, and were singing and making the night hideous for people residing near the lockup. The officer went into the jail and threatened to turn the key on them, and the bluffs worked and peace reigned again.

#### Fusion.

At the family senatorial convention held at Lincoln yesterday the People's party delegates met first and nominated W. R. Hall for the legislature, and the Prohibition delegates met and endorsed Hall, who goes before the people, like E. B. Calkins, as the fusion candidate. It is known that many leading Prohibitionists in Decatur stoutly opposed the endorsement of Mr. Hall.

#### Home This Week.

#### Buried To-day.

The funeral of Floyd, the infant son of Mr. and Mrs. W. C. Frederick, took place this afternoon at 4 o'clock from the residence. The child died last evening at 6:10 o'clock of diphtheria, aged 4 years.

#### Throve Up His Job.

Enger's Board, who has been walking delegate for three months, "Union" during the past three months, sent in his resignation last night. The resignation

IMPORTANT BUSINESS CHANCE.

Sale of the Smith, Hubbard & Co. Stock to Irwin, Kirkland & Co.

Some time ago it was announced that S. M. Irwin, with associates, had decided to engage in business in Decatur extensively as manufacturing pharmacists, and not long since M. L. Deck broke ground on West William street for a building 36x68 feet for the use of the new enterprise.

Yesterday there was an important change in plans and arrangements. A contract was signed by which Henry Smith and W. H. Hubbard, who have been doing business under the name of Smith, Hubbard & Co., sold their entire stock of goods to the new firm of Irwin, Kirkland & Co. The members of the new firm are S. M. Irwin, J. H. Kirkland and T. O. Kirkland. The purchase price is not known. Possession will be given on October 1, and until about December 1 the Joseph building will be occupied, when Irwin, Kirkland & Co. will move to the Deck building, which will be greatly enlarged to afford space for the increased facilities contemplated. Irwin, Kirkland & Co. are manufacturing pharmacists, take the business and good will of Smith, Hubbard & Co., and besides the specialties already on the market, a great variety of other goods will be manufactured for the trade. There is ample space near the Deck building to enlarge the I. K. & Co. plant, and Mr. Irwin and J. H. Kirkland, who will be the active members of the new company, will spare no effort or expense to push the business to the end that the factory will soon become one of the largest in size and commercial importance in the west.

We understand that it is the purpose of Henry Smith to devote all his time and means to pushing the Rock Plaster industry in which he is largely interested.

Mr. Hubbard may leave the road and engage in business in Decatur which will not require absence from home. The style of the retail drug firm, with which S. M. Irwin has been connected will be I. N. Irwin & Co. I. N. Irwin, Charles M. Irwin and Ed. Kennedy are the individual members who will be in charge of the retail store.

#### THINK HE WAS A HINGER.

Backers of a Foot-Race at Bloomington Disgraced.

Mason Williams, the colored sprinter of Lincoln, Ill., was defeated yesterday afternoon at the fair grounds in Bloomington by a man named Campbell, of Iowa. It was a 100-yard dash for \$200 a side, and the Williams people put up all they had. Campbell beat Williams five feet in ten seconds. It is believed Campbell is traveling under a fictitious name. Wonder if the winner was Charley Wine brener?

Miss Lebew does not know who has befriended her thus, but is very grateful for the favor. Ollie was one of the most ardent workers in the Warrensburg schools last winter, and is in every way worthy of the confidence placed in her by her unknown friend.—Warrensburg Enterprise.

PUTTING ON THE WIGWAM.

The Republican Campaign Wigwam in Sight.

This morning Chairman Lytle, of the county central committee, and President McKiff, of the Republican club, put a force of men at work getting the lot north of the First M. E. church in shape for the immediate erection of the wigwam tent, which is to be dedicated on the night of September 15.

NOTES.  
The Abraham Lincoln club held a business meeting last night. Gen. Green B. Barm will speak in Decatur the night of Sept. 15th at the dedication of the Republican wigwam tent.

The Decatur drum corps was out again last night for a drill.

The work of preparing the lot north of the First M. E. church for the Republican campaign tent is in progress. It is a dandy location.

The Mt. Zion Republican club will have a rally in the Tabernacle Saturday night.

SHOCKWILERS.

At Deland, at the last club meeting, F. M. Shockwiler, of Decatur, gave an eloquent address, in which he gave his reasons for getting a party which promised reform and made an attempt to reform; a party which claimed that the farmer is becoming impoverished, while surrounded by evidence of increasing prosperity; a party which claims to be a friend to the farmer and laboring man, and yet seeks to bring them into equal competition with the half paid labor of England and India. Mr. Shockwiler has the courage of his convictions, and is not afraid to act as he thinks. There are many other thinking men in the Democratic party of our country, who believe as Mr. Shockwiler does, but who lack courage to act as he has done. As a fluent speaker he stands among the best in the country.—Monticello Republican.

The Horse Market.

Good grade of heavy drafters, streetcars and 1,000 to 1,300-pound chunks in demand and selling well. There is a little more inquiry for good class of drivers than for some weeks past, but no particular advance in prices. Small horses, as well as common stock, dull sale at low prices. Everything to sell to advantage must be well broken and in good flesh. Horses in thin flesh or otherwise out of condition will not call for their full value. We anticipate a good demand and fair prices for the better grades of drivers and actors during the latter part of this month, also in October. There has been but little change in prices during the week past, and we quote: Heavy drafters, 1500 to 1700 pounds, \$155 to \$225; express horses, \$750 to \$225; rugged streetcars, \$90 to \$100; chunks, 1100 to 1300 pounds, \$95 to \$140. The above quotations are for sound horses, 5 to 8 years old, well broken and in good flesh. But few range horses on the market. They are selling at from \$18 to \$60, unbroken, according to quality. It is the heavier ones that sell for most money.
